LIBRARY BOOK SWAP

Due to recent cuts in the library budget, it was necessary to reduce the size of our browsing collection. In order to continue to make leisure reading easy for all of our patrons, we have started a brand new **Book Swap** program!

The new Book Swap bookshelf is located near the circulation desk in Library North, where patrons can now exchange donated books. Checkout is not required for books on the book swap shelf and these books do not have to be returned. Book donations are encouraged.

WORLDS CONNECT @YOUR LIBRARY

Which of these library employees likes European horror movies? Which one loves the Buena Vista Social Club? Find out by visiting our exhibit case on Library North 1, behind the computer help desk. The **"Worlds Connect @ Your Library"** exhibit is a great way to meet our amazing staff, with recommendations for books, music and DVDs all available here at the library. We even provide call numbers and locations with every review. Take a look and learn about all the great stuff you can check out here!

Over 1.5 million people come through the Georgia State University Library's doors each year. It provides the university community with access to extensive information resources; assistance with research; state-of-the-art computer stations; and a comfortable space to meet, learn and relax in.

The Library is truly universal on campus. It is the center that unites the entire university.

BROWSING COLLECTION

These are just a few examples of the books available in our current browsing collection. Check the shelves just to the side of the Library North entrance for more fun reading!
